Description

Young Croatian Arbitration Practitioners (YCAP) and Young Austrian Arbitration Practitioners (YAAP) are organizing a joint conference dedicated to the arbitral landscape in CEE: a great opportunity for arbitration practitioners in the area to share their experience and exchange views on the latest developments.

Our panelists are top arbitration practitioners in Croatia and Austria who will provide useful insights how to navigate through the arbitration arena between arbitral tribunals, counsel, institutions and organizations.

There will be a get-together after the official part of the programme.

We look forward to seeing you in Zagreb!
