**SOCIAL INCLUSION AND LIVING IN COMMUNITY FOR
PERSONS WITH INTELLECTUAL DISABILITY**

**May 25 2023
ONLINE VIA ZOOM**

**15.00 - 17.15
(CENTRAL EUROPEAN TIME)**

REGISTRATION FORM

<https://forms.gle/DPYkEnMUQ6RWhcSKA>

The session will seek to:

- Discuss the different aspects of process of deinstitutionalization and social inclusion of people with intellectual disabilities including main obstacles to the process, reasons for them as well as possibilities to resolve them
- Present some forms of support systems for people with intellectual disabilities which exist as well as those which yet should be developed to build equal opportunities and quality of life for the people with intellectual disabilities
- To compare the experiences of the social inclusion process and features of living in community for people with intellectual disability among Zagreb and Bilbao (Croatia and Spain) – which lessons have been and have to be learned in this field

The participation and interaction with the target audience of the event (practitioners, researchers, decision makers and students from the 2 universities) will take place through online dynamics (surveys in the session chat, open questions, etc.).
