Online Research Seminar

The Rise of “i-liberal Democracies”:

Political Instrumentalization of Religious Belongings and Misleading Theologies in Europe

The UNIC European Research Network for Religion, Society and Culture UNIC-RESCUe offers a unique online Blockseminar during the coming Winter semester 2023/24 with the participation of lecturers and scholars from Bochum, Malmö and Liège.

Students and participants from all UNIC universities are invited to join!

Learn about current theories on the relationship between state and religious institutions, try out social research methodology in your own project, learn to analyze speeches, media content and political movements, and connect with international experts and fellow students from all over Europe!

The Blockseminar starts on 16 October 2023 and will be held in English.

Register until 15.10.23
via RUB's course catalogue
